DIMENSIONAL AFFAIR

Love
 across
 dimensions
The romance
 continues
 with
 the integral one,
The Sun.

EXPRESSIVE DELIGHT

In another
 space and time
 as yet to come
 “You go with me!”
Sun-Say to me.

AND THAT IS ALL THERE IS

It is all
 for
the Sun
 that is
 it.

FOR SUNNIE

As the rays shine down
on a sunny day
to warm our faces
so the Love of Sunnie
shines down
and warms our Hearts.

Sunnie Principle:
DON'T ASK

If I have to
ask
I don't
want it.

OMAR THE LIGHT

At first you just see
what you think is there to be
now you know that
which is beyond
spiritual intellect
one,
which was first
recognized by the Sun.

MARY KIDD

Give her a needle, thread and
theme,
And she will sew a very fine seam.
Give her a pattern and with a
stitch or two,
A lovely creation will spring
into view.

Many girls have improved in style,
By asking Mary to give them a trial.
She checks their posture and good
points,
And comes up with a lot of do's
and don'ts.

Her leisure hours are put to
good use,
Earning her living she gives as
an excuse.
But we all know she is an artist
at heart,
And loves to help friends look
lovely and smart.

Myrtle Markman Magorian

WAY TO GO

Live your life and don't worry about it.

Sunnie

TO THE SUN
MOMENT OF INBETWEENNESS

When I saw you
 I knew
It was just
 a moment
 but I knew,
With You Always.

Jim

10/29/10

TO THE SUN
WHEN ASPIRATION
MEETS INSPIRATION

I found myself
in Light of
the Sun
In this
 I will always be
 no need to aspire
in this Dimension
when always-already there,
“With You Always.”

Jim
2:51 a.m. 3/27/10
10/29/42-3/27/02

WITHOUT REASON

No one can
realize what
 you mean to me
When we were all alone
 we skipped a life
and dangled.

Jim Kidd
1:50 p.m. 11/11/10

WITHOUT THE SUN
I CANNOT STAND THE PAIN

You are all that
 I have even seen
 that is what
 I mean
It is your being.

Jim Kidd
7:19 p.m. 11/7/10

WITHOUT THE SHINING SUN

There are songs
 and there are songs
 that no one can sing
I will always love you
 but I cannot be
 I have to be with you.
