

## MARY KIDD

Give her a needle, thread and  
    theme,  
And she will sew a very fine seam.  
Give her a pattern and with a  
    stitch or two,  
A lovely creation will spring  
    into view.

Many girls have improved in style,  
By asking Mary to give them a trial.  
She checks their posture and good  
    points,  
And comes up with a lot of do's  
    and don'ts.

Her leisure hours are put to  
    good use,  
Earning her living she gives as  
    an excuse.  
But we all know she is an artist  
    at heart,  
And loves to help friends look  
    lovely and smart.
