

## FROM FREUD TO KIDD

Who says the woman is a riddle?  
He who says so is but a kid.

For she is more a riddle  
Than the unriddled id!

Whoever cannot play  
The second fiddle  
Is such a kid, nay,  
Far off the Middle Way,  
With the id  
Underway —  
Truth's slid  
From Freud to Jim Kidd!
